

## Boundary Artisan Association

### Mission Statement:

The Boundary Artisan Association exists to ethically represent Artisans that live and work in the Boundary Region of British Columbia, through, networking with other community arts, culture and business organizations, encouraging arts and culture within the community, initiating cultural tourism opportunities, and promoting a unified “brand” of Boundary artisan work to the public. The Boundary Artisan Association will assist Boundary Artisans with marketing strategies, encouraging and facilitating excellence in craft and in the business of craft.
